May 15, 2019

Dear Honorable Councilors,

I am pleased to submit my Fiscal Year 2020 Budget for the City of Fitchburg which breaks down as follows:

General Fund	\$129,619,293
Water	\$ 6,668,806
Wastewater	\$ 13,402,761
Airport	\$ 606,838

This spending plan for FY2020 maintains services, with the addition of two laborers to our DPW. It also increases the amount paid to reduce the unfunded pension liability, expands debt service capacity within the budget, and meets the City's Net School Spending requirements. It requires that revenue estimates be increased significantly, leaving less possible revenue available for FY2021 Free Cash. Additional funding for stormwater (MS4) compliance and for settlements related to ongoing contract negotiations with the Police and the Managers unions are also not included. While the budget is balanced, there are restrictions in the flexibilities of future spending.

I would like to offer a special thanks to the Finance Team for their valuable expertise, as well as all Department Heads and City Staff for their cooperation and effort. I look forward to working closely with the City Council as we engage in a formal discussion of the budget. I am confident that together we will produce a budget that is fiscally responsible while providing critical services to the constituents of the City of Fitchburg.

Respectfully Submitted,

Stephen L. DiNatale  
Mayor
