## NOTICE OF PUBLIC MEETING

- g) **243-22. City Councilor Bernie Schultz and Judy Perla of 236 Walton Street to install a yield sign on Pole 1615 facing out on Munroe Street at the intersection of Fairbanks and Munroe Streets to improve traffic safety when motorists depart from South Street Elementary School (REFERRED from City Council on September 20, 2022)**
  - h) **244-22. City Councilor Derrick Cruz on behalf of Tyrone and Sheila Tines, residents of Clyde Street. I request that the City of Fitchburg implement either “No Parking from Here to the Corner” or “No Parking Signs” at the corner of Hancock and Summer Street, an appropriate distance on both sides. As residents exiting Hancock Street cannot see past the row of cars parked there, it has become a public safety concern for them. (REFERRED from City Council on September 20, 2022)**
- 4) HELD petitions for review
- i) **089-20. Councilor Bernie Schultz and resident Alex Freeman to remove the “No Turn on Red” sign at the intersection of John T. Cetrino Memorial Drive and Water Street. (HELD on the 10/28/20 meeting and the 1/26/21 meeting and the 7/27/21 meeting and the 10/26/21 meeting and the 3/29/22 meeting and the 4/26/22 meeting and the 5/31/22 meeting and the 7/26/22). (Amended the spelling of Cetrino at the January 2021 meeting).**
  - j) **027-22. Councilor Derek Cruz, on behalf of resident Bassem Awad at 8 Boylston St., to install a streetlight on telephone pole #4 on Boylston Street. (HELD at the 5/31/22 meeting and the 7/26/22 meeting).**

During times of heavy traffic flow in or out of the Game-On facility, residents of Victoria Lane do not have the right of way to cross, and thus must wait for long periods while the traffic lines go through. If a 4-way stop sign is not feasible, an alternate solution shall be investigated by the City. (HELD at the 5/31/22 meeting and the 7/26/22 meeting).**
- 5) Any Other Business
